Meet the Author seminar with Richard White (Sheffield Hallam University), co-editor (with Simon Springer and Marcelo Lopes de Souza) of a trilogy of volumes on the radicalisation of pedagogy, theories of resistance and the practice of freedom, as inspired by an anarchist perspective on spirits of revolt. Discussants are Julie Cupples (University of Edinburgh, Geography), Silke Trommer (University of Manchester, Politics) and Luke Yates (University of Manchester, Sociology), who each cover one volume before the conversation is opened up to the audience for questions and discussion. To be followed by a drinks reception in the same room to launch the 'Transforming Capitalism' book series, which has published the trilogy with Rowman & Littlefield International and has among its editors Ian Bruff (Politics) and Gemma Edwards (Sociology).
